## Class Requirements for 2021

Dear parents and Carers

Below is a list of the items your child will need for school for 2021 and has been shared so that families can take advantage of the January back-to-school specials. This list may change slightly, so is a guide only. Next year additional items may be required.

Throughout the year, please check your child's pencil case on a regular basis and ensure items are replenished as necessary. (This original supply of items is unlikely to last the full 2021 school year.) Please ensure all items are clearly labelled to ensure items do not get lost.

\*\*\* Except for pencil case and stationery items, please wait until notified by the class teacher as to when to send extra items to school. \*\*\*
